About

Nosferatu

4/2/25

Nosferatu is a legendary vampire inspired by Dracula, best known from the silent horror film Nosferatu: A Symphony of Horror (1922). Count Orlok, as he is called in the film, has a gaunt figure, long fingers, bat-like ears, and sharp fangs. Unlike classic vampires, he appears more monstrous than aristocratic. The film became famous for its expressionist atmosphere and remains one of the most iconic horror films of all time.
